Dear Advisors,

It is with pleasure, that we invite your school to participate in the Eighth Annual U2NESCO Model United Nations Conference hosted by Utahloy International School Zengcheng. The conference will be held from January 14<sup>th</sup> to 16<sup>th</sup>, 2021. In this conference, we will have multiple English committees in which your students can participate. Something unique about the U2NESCO Conference is that we will be providing a committee to promote the use of the Chinese language. In the Chinese Language Committee, all speaking and resolution writing will be in Mandarin, which provides delegates who are more comfortable speaking in Mandarin with a chance to participate in this valuable experience. All topics for our 2021 conference will be built around the theme:

**“A World Worth Fighting For”**

U2NESCO was developed eight years ago as a MUN conference for a wide range of delegates. It is perfect for both those first-time delegates, who would like to get their feet wet, to the more experienced delegate, looking for one of our ‘outstanding’ or ‘best’ delegate awards. If your school’s Model United Nations program would like to participate in our eighth annual conference, please express your interest to our Secretary General, Ms. Helen Wong, at [unesco@utahloy.org](mailto:unesco@utahloy.org). More information can be found at [www.u2nesco.com](http://www.u2nesco.com), which is where you can fill out your initial registration form as well as chair application form. We look forward to welcoming your delegates to our eighth U2NESCO Conference.

Please note that U2NESCO is committed to having a face to face conference but we are also constrained by local regulations. U2NESCO management team will be in constant contact with the local authorities to ensure we are able to run a safe conference on the campus of UISZ.

Best Wishes,

Gregory Peebles
